Corner Talk

- As we look toward to this New Year – 1st, thank you for all that you already do at WRHM. This is a call for you to exercise your volunteerism further! I am asking that you search yourself and look for other areas at WRHM where you can use your gifts or talents. And 2nd, we need help with marketing, communication, fundraising events and helping students etc. I am sure that you have examined things and processes that are in force already but you could improve with the experience that you possess. Just let Derek or I know what you would like to do.
